## AGENDA

1. Call to Order
2. Introduction of Members
3. Public Comment
4. Current Projects
  - I. City
    - High School  
Resurfacing of Crooks Road near the high school (federally funded project). This project will last approximately March through November and there will primarily be one lane open in each direction throughout the project. We are also upgrading the traffic signal at Lexington/Crooks. If students will attend in person, might be good to notify parents/students about this ahead of time.
    - Upton  
Reconstruction of Samoset and Nakota near Upton School. Work to be done while school is not in session during summer months. Consumers Energy has some work on Mandalay and Samoset as shown; they may need to perform the work in late spring.  
Resurfacing Hampton and Nakota near Upton School. Work to be done while school is not in session during summer months.
    - Northwood  
Northwood Elementary – Consumers Energy has some gas main replacement projects scheduled for McDonald and Crooks Road which may require some coordination with the school.
    - Keller  
Keller Elementary – some pavement patching planned for Bellaire and Derby, but this will be done during summer months. Consumers has work planned on Connecticut and Grove.
