***Chair:** As per the Michigan Open Meetings Act, the board requests that members of the public attending the meeting today identify themselves and mention if they would like to speak during the public comment period. However, attendees do not need to give their name to attend this meeting. Attendees who do not wish to introduce themselves may say, "pass" during introduction period. Speaking though, is one step beyond attending and the board requires individuals to identify themselves if they wish to speak at the meeting. Thank you.
