TIP OF THE MONTH : Post Emergency Numbers Near Telephones.

DIAL 911 Be aware that if a fire threatens your home, you should not place the call to emergency services from inside the home. It is better to get out and place the call to fire authorities from a safe location outside the home.

Fires: This week 1 Total for the year 2

This week we responded to an apartment filling up with smoke. Our investigation found an unattended stove with food burning. This was creating a large volume of smoke that had filled up the hallway. We removed the food that was burning and used our electric fan to clear the complex of smoke. We were fortunate to be alarmed by smoke detectors. In the past these stove fires undetected have resulted in major fire damage.
