Library Update

Greetings Friends! Wow, what can you say about a year like this? No one could have predicted where we would be now, but here we are and we’re continuing on as best as possible.

During the closure of the building, a reopening plan was formed to safely bring staff, volunteers, and patrons back into the library in a careful manner that reflected what was happening in the state. To this end, the board, department heads, and I created a plan that utilized the MI Safe Start Plan and used its stages to guide the library’s stages of reopening.

We are currently in Phase 3 of the library’s reopening, the Contactless Pickup Phase. When the state moves to its own stage 5, then we can look to reopening to the public. We are all looking forward to this, as we dearly miss our patrons!

While the plan states that volunteers are not allowed back into the building until Phase 5, the Friends are working closely with the board to come up with ways to once again collect and sell donated materials. The Friends Trustees continue to meet every month as we communicate about future plans and look ahead to what lies before us. I wanted to thank the Friends for sticking with us during such a difficult period, and eagerly await the day that we can safely return to normal operations and see all of you again!

Summer Reading Program Recap 2020

Summer Reading Program 2020 was among the many library events that saw major changes this year. The season-long program typically has the goal of getting as many people to the library as possible, so obviously that wouldn’t work during a pandemic! Instead, the librarians took the program completely virtual, offering the reading log component online and all programs live-streamed instead of in-person. They pulled it off splendidly, and ROPL was able to present a full lineup of events to keep readers busy all summer. Thousands of participants filled out reading logs, attended programs, and collected prizes, so while it may not have been the ideal situation it was still a successful summer!

Friends Annual Meeting: Online for the First Time

A completely virtual Friends Annual Meeting occurred Monday September 21, 2020. It was broadcast live on WROK. If you missed it, you can watch the recording here - https://youtu.be/rufm7NhUFs8

**2019–2020 Friends Support at ROPL**

The emergence of the COVID-19 pandemic in March has severely impacted the Friends’ ability to earn money to fund library programming. The Friends’ ledger looked a little different to end the 2019–2020 fiscal year, but we were able to support our favorite library for much of the past year before the health crisis shut us down.

During the 2019–2020 fiscal year, which ended August 31, the Friends spent nearly $22,000 supporting library materials and over 500 programs for all ages. Much of the Friends’ revenue is generated from sales in the Friends Shop (we miss having all our browsers in the shop; hopefully we’ll be back sometime in 2021) and special book sales. The Shop earned just under $11,000 this past fiscal year. The combined earnings of the two-day October book sale and the four-day annual book sale (which we managed to get in just before the pandemic hit!) netted nearly $3,800. Unfortunately, because the Summer Reading program was all virtual this year, we weren’t able to have our mini one-day Opening Day book sale.

A major portion of the Friends’ revenue stream continues to be from online sales of donated books. (Due to safety concerns, the Friends are unable to accept donations during the pandemic, but we hope to resume that soon.) Working with third-party dealers, Friends volunteers scan donated books and media from the community to check for potential sales to book buyers across the country. Buyers include organizations and companies such as Goodwill Easter Seals Miami Valley, Powell’s, SellBack, Bookstores.com, and Textbook Rush. Again, because the library has been closed during the pandemic, volunteers have not been able to be in the building to scan books. In 2019–20, the total outside sales revenue via scanning totaled just over $6,100.

We’ve also ramped up sales of “special” donated books (e.g., out-of-print, antiquarian, signed copies) on eBay, which brought in just over $2,300 this past year. Many thanks to Friends Board alums George Barry and Ann Barbour—George provides his expertise on older books (having run a book store in Royal Oak for a long time), and Ann writes up and lists these books on eBay and then ships them after they’re sold.

Another source of revenue is the sale of City of Royal Oak merchandise (T-shirts, hats, and tote bags). The Friends are the exclusive distributor! In normal times, they’re available in the shop or at the circulation desk. But email the Friends at friends@ropl.org if you’re interested in purchasing any of them while the library is closed.

The Friends routinely donate books to Little Free Libraries that are sprinkled around our city as well as to such local organizations as senior centers, jails, school groups, and other groups. Along with membership dues ($1,700) and generous donations ($3,900), Friends’ total revenue in 2019–2020 was nearly $29,000. As Friends, you have helped raise this money—be sure to make use of the materials and programs we fund—even virtually!

Keep your eye on Facebook, Instagram, and the library’s web site for updates on Friends activities during these difficult times. We hope to be back to providing support to the library real soon!
